PCLT selected to present at the North Carolina School Counselor Association

We are pleased to announce that PCLT has been selected to present a workshop at the North Carolina School Counselor Association annual conference entitled, *Professional School Counselors: Helping Students Find Their Way* to be held November 7-9, 2012, in Greensboro, North Carolina.

Dr. Sherry Barr, Vice President, will present *High School Transition and Healthy Decision-Making: The School Counselor's Role*. This workshop will examine the ways in which the school counselor can play a critical role in initiating, implementing, and sustaining evidence-based peer leadership solutions that provide support to freshmen during the transition from middle school to high school and equip students with skills to make informed decisions about their sexual health.

The mission of the North Carolina School Counselor Association (NCSCA) is to promote excellence in the profession of school counseling and the development of all students.

Please see www.ncschoolcounselor.org for more information about the NCSCA or to register for the conference.
