

PGC was an exciting experience for me because our older peers related to us and helped us through things. They've been through everything that we are going through.

Malachi, 7th PGC participant, IS 349 (Brooklyn, NY)

This year, 58,000 additional students in nearly 240 schools nationally are creating safer and more supportive, engaging, and inspiring schools for themselves and their peers thanks to CSS solutions. Students report that our flagship peer mentoring program, [Peer Group Connection \(PGC\)](#), helps them:

Be a leader (93%)

Have a greater desire to be a role model for other students (87%)

Care more about graduation high school and college (80%)

How can you help? It costs \$100 to send a student through PGC. Would you consider a gift that will help one or more students benefit from this valuable program?

- **\$100** will send **1 student** through PGC
- **\$500** will send **5 students** through PGC
- **\$1,000** will send **10 students** through PGC

A gift of any amount will help support our efforts to bring PGC to more students across the country. You can visit our donation page [here](#), or please feel free to mail a check to our office at 911 Commons Way, Princeton, NJ 08540.

We greatly appreciate your support!
